Collection 2025/2026 Plaid & Soft Living

**cafissi**  
Fabrics for creating.

HOMES expresses Cafissi's textile heritage through a refined collection of plaids designed for contemporary living.

Each plaid reflects an evolving artisanal expertise, where traditional know-how is continuously refined through material research, craftsmanship and a contemporary design approach.

Entirely made in Italy, Cafissi plaids are defined by quality, balance and attention to detail.

Carefully selected yarns, precise weaving techniques and thoughtful patterns come together to create products that combine warmth, comfort and visual harmony.

Homes

Designed to complement both classic and modern interiors, the HOMES plaid collection offers a versatile interpretation of textile elegance.

From soft neutrals to deep tones and graphic patterns, each piece is conceived to bring texture, character and understated sophistication into everyday spaces.

Rooted in tradition and shaped by innovation, Cafissi plaids represent a timeless expression of Italian textile culture.
